

## Understanding the Registry

### Updating Your Address for an Approved Card

Once your application has been approved, you can update your address at any time. There is a \$15 processing fee, which includes the address change and a new Medical Marijuana Use Registry Identification Card. Updating your address will not change your expiration date or affect your ability to obtain your Medical Marijuana orders. **Submitting an Address Change Application will not renew your card.**

**Step 1:** Log into the Medical Marijuana Use Registry <https://mmuregistry.flhealth.gov/>.

*If you do not remember your password, you may reset it yourself by selecting [Forgot Password](#) on the Login page. For step-by-step instructions to reset your password, see our [Resetting My Password](#) guide on our Know the Facts MMJ page (<https://knowthefactsmmj.com/registry/#instructional-guides>).*

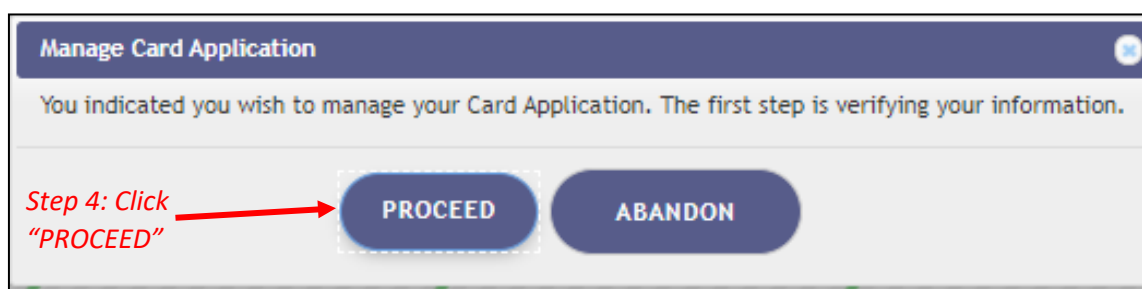

**Step 2:** Navigate to the “YOUR CARD” menu option at the top of the page to view your Application History page.

**Step 3:** Click “UPDATE ADDRESS.”

**Step 4:** A prompt will appear to indicate you wish to manage your card application. Click “PROCEED.”

**Step 5:** After clicking “PROCEED,” you are brought to the Import Information page. Here, you are shown a side by side view of your current information, and the new information that you will be importing from the Florida Department of Highway Safety and Motor Vehicles’ (FLHSMV) demographic database. Please verify the new information is correct and then click “APPLY.”
